Glazed Ceramic Tile

Cooper

Inspired by the raw strength of city structures and industrial materials, Metal mood captures the essence of contemporary urban living. Bold yet refined, it celebrates the beauty of metal with textures and imperfections that speak to those with a strong personality.

Available in a striking 4x16" format, Metal mood comes in four striking colors—Pewter, Iron, Copper, and Lunar—and two finishes: a smooth metallic surface and a decorative relief for added dimension and movement. These finishes create dynamic, expressive spaces that play with light and shadow.

Metal mood is a design statement that transforms walls into powerful urban stories—infusing every space with a bold, contemporary identity.
