Magenta

Impressionist Artists didn't strive to capture the exact appearance of reality, but rather the emotion and feeling of real life. Colors and textures that pull you in more than precise features ever could. That is the inspiration for the Vivant Collection. Distinct waves give each tile the appearance of a flourished stroke by a master painter. Even the lightest shades have a gravity all their own that draws you in. Each hue is available in matte or glossy finish. Adding to the rich palette of this collection, are the Ligne matte relief pieces that provide additional texture to create even more possibilities. Like the impressionist art that inspired this collection, rooms created with the Vivant Collection aren't just seen. They're experienced.

The VIVANT COLLECTION.
