## Tivoli Collection

Tivoli combines the high durability of porcelain with the perfect reproduction of a classic Travertine from the Tivoli region in central Italy. Tivoli emulates natural stone that is indistinguishable to even the most discerning eye.

For this collection we used the vein cut technique, which cuts the block of marble in the direction of the material's vein. In four colors, Tivoli can be used in more elaborate or more minimalist spaces.

Tivoli Ivory

Tivoli Silver

Tivoli Natural

Tivoli **Charcoal**
